

Top 40 Thanksgiving Songs

"For Thanksgiving I'm making a slideshow of like family and friends and all these good times and how we should be thankful for what we have and stuff like that! I need a song or two (maybe 3). So if you have any suggestions that would be great."

Thanksgiving is a day of giving thanks for the blessing of the harvest and of the preceding year. It is also a good opportunity to say Thank You to your parents, your wife or husband, your children, your friends, and all those you love. Apart from joining traditional Thanksgiving celebrations, you can also take time out of your schedule to create a special and grateful photo slide show with music and share with your family and friends.

To make Thanksgiving slideshow with music, the only tool you need is [DVD Photo Slideshow](#). It is fast, efficient, and extremely easy to use. You can either encode the slide show into a movie file or burn it onto a DVD disc.

Here, I'd like to share 40 songs fit for a Thanksgiving photo slide show.
